Agent: Demitri Zambus

Client: Tiffany and Rob Brebner

Demitri Zambus provided us with an excellent experience in purchasing our home. With this being the purchase of our first home we couldn't be more pleased with his professionalism and ability to make us feel comfortable during the home buying experience. Demitri provided us with excellent service at any time of the day, and he was able to answer all our questions. I would be happy to recommend Demitri to my family and friends and look forward to using him in the future.
